

LB-9000

Flood Lubricant Cutting Oil

广州孚润 400-992-6811

APPLICATIONS

- General machining, sawing and cutting
- Food-grade applications
- Medical device manufacturing
- Swiss style CNC machining centers
- Milling, drilling and tapping

HANDLING

Avoid prolonged exposure. Observe good industrial hygiene practices.

STORAGE

Store in tightly closed container. Store away from incompatible materials (see Section 10 of the SDS).

DISPOSAL INFORMATION

Disposal instructions: Collect and reclaim or dispose in sealed containers at licensed waste disposal site.

Local disposal regulations: Dispose in accordance with all applicable regulations.

Hazardous waste code: The waste code should be assigned in discussion between the user, the producer and the waste disposal company.

Waste from residues / unused products: Dispose of in accordance with local regulations. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe manner (see: Disposal instructions).

Contaminated packaging: Since emptied containers may retain product residue, follow label warnings even after container is emptied. Empty containers should be taken to an approved waste handling site for recycling or disposal.

Contaminated packaging: Since emptied containers may retain product residue, follow label warnings even after container is emptied. Empty containers should be taken to an approved waste handling site for recycling or disposal.

PHYSICAL PROPERTIES

Physical State	liquid
Odor	mild
pH at 10%	Not available
Specific Gravity	0.92
Flash Point	> 399.2°F (>204.0°C)
Boiling Point	Not available
Melting Point	Not available
Vapor Pressure	Not available
Partition Coefficient	Not available
VOC Content	2%; 0.19 g/l
Vapor Density	Not available
Auto_Ignition Temperature	Not available
Viscosity	Not available
Prop 65 Warning	NO

AVAILABLE PRODUCTS

Part No.	Container Type	Units/Case	Color
LB9005	5 gal pail	1	amber
LB9055	55 gal drum	1	amber
